Styled after the Tahitian cottages on the Polynesian island of Bora Bora, Ramone's Village is built from native materials by craftsmen utilizing the same skill and techniques the islanders used in the days of the great sailing ships. This is not a concrete condo encompassed by concrete parking lots. This is a sanctuary nestled in a tropical garden of Royal Palms, bougainvillea, lilies, hibiscus and dozens of other types of tropical flora. Surrounded by the plant life are Mayan sculptures that provide a glimpse of the civilization that preceded in this Caribbean paradise. Once inside our enchanted village, you'll be in a world of your own choosing.
